Scanner

ScanPartner® 620C Workgroup Color Document Scanner

A versatile desktop scanner that delivers true color support for document imaging, digital copying and publishing applications.

- Built-in 50-page Automatic Document Feeder (ADF) for hands-free and reliable scanning
- Fast scan rates of up to 20 pages per minute allow for quick and easy use
- 256-level grayscale and single-pass 36-bit color produces quality documents
- Includes Fujitsu ScandALL Plus™ powered by Virtual Copier, Caere OmniPage Web and Adobe® PageMill™
- ScanRight™ Imaging Kit with SCSI host adapter, cable and drivers
- One-year limited warranty, including No Excuses® End User Replacement Program

A versatile desktop scanner, the ScanPartner 620C is designed to meet the demands of both desktop publishing and document imaging applications. Combining fast document feeding with high-quality, high-resolution color scanning, the Fujitsu ScanPartner 620C is a powerful and reliable addition to any workgroup or business.

Ideal for Business and Internet Publishing

The ScanPartner 620C includes everything you need to increase the effectiveness of your business communications. Its bundled software makes it easy to convert paper documents and electronic files into Portable Document Format (PDF) and other imaging file formats that can be utilized in marketing presentations, brochures and correspondence. PDF files and HTML files can also be quickly generated using the software included for distributing to both external Web sites and corporate Intranets—without spending extra time converting documents into other formats.

Quality Color and High Resolution

The Fujitsu ScanPartner 620C allows documents to be continuously scanned in single-pass 36-bit color at fast scan speeds up to 10ppm. Its long-life cold-cathode lighting, single-pass CCD scanning, and true 600 dpi

Workgroup

Departmental

Production

resolution delivers high-quality scanning of color or black-and-white documents for use in an array of imaging and business applications.

Speed and Versatility

A built-in 50-page ADF allows continuous and reliable scanning of documents as large as legal size and as fast as 20 pages per minute (ppm). This speed and paper handling greatly improves productivity while maintaining the highest quality levels. The ScanPartner 620C's flatbed capability provides the versatility needed to scan documents as small as 1 inch x 1 inch and documents or objects not suitable for the ADF.

Convenient Operation

Fujitsu ScandALL Plus™ powered by Virtual Copier (included) provides a single powerful software interface that makes setting up and using the ScanPartner 620C exceptionally easy. The ScanPartner 620C's

SCSI-2 interface and industry-standard TWAIN and ISIS driver support delivers fast scan speed, and the added bonus of being able to utilize a wide variety of scanning applications.

No Excuses®

Fujitsu products are designed to give our end users the highest performance and reliability with the least amount of hassle. To prove this, we include with our one-year limited warranty on the ScanPartner 620C our No Excuses End User Replacement Program. The No Excuses End User Replacement Program may be the easiest and most comprehensive program in the industry. In the unlikely event of a product defect, we will replace that product within two business days. The No Excuses End User Replacement Program is only available to United States end-users. For complete warranty and program information and restrictions, please call Fujitsu Computer Products of America

toll-free at 1-800-626-4686 or visit our web site at <http://www.fcpa.com>.

About Fujitsu Computer Products of America

Benefiting from Fujitsu Limited's \$3 billion annual investment in research and development, Fujitsu Computer Products provides innovative solutions for the U.S. marketplace. Current product offerings include high-performance disk drives, tape drives, magneto-optical drives, high-volume scanners, and printers.

ScanPartner 620C Workgroup Scanner Specifications

Functional Specifications		
Technology	Charge coupled device (CCD) image sensor	
Resolution	600 x 1200 dpi	
Grayscale	256-levels	
Color	36-bit internal; single pass	
Scanning speed	Bi-tonal	20 ppm (at 200 dpi, letter size)
	Color	10 ppm (at 150 dpi letter size)
Scanning mode	Simplex	
Document feeding mode	Flatbed and built-in automatic document feeder (ADF)	
ADF capacity	50 sheets (20 lb. bond)	
Document size	ADF minimum	3.7 in. x 5.5 in.
	ADF maximum	8.5 in. x 14 in. (Legal)
	Flatbed maximum	8.5 in. x 11.7 in.
Interface	SCSI-2 (SCSI card and cable included)	
Physical Specifications		
Power consumption	30 W	
Power requirements (auto-switching)	100-120 VAC, 50/60 Hz	
	200-240 VAC, 50/60 Hz	
Operating environment	Temperature	50° to 95°F (10°C to 35°C)
	Humidity	20%-80%
Dimensions (HxWxD)	6.5 in. x 22.4 in. x 13.8 in. (166 mm x 570 mm x 350 mm)	
Weight	35 lbs. (15.8 kg)	
Reliability Specifications		
MTBF	5000 hrs	
Limited Warranty	1 year (from date of purchase) / includes No Excuses End User Replacement Program	
Software Driver	ISIS and TWAIN driver included (Win 95/98/NT)	
Software Applications	Fujitsu ScandAll Plus powered by Virtual Copier (PDF file creation, scan to file, scan to email and more) Adobe PageMill (Web page editing) Caere OmniPage Web (Web page creation and OCR)
